update your knowledge . . . or
you can do it at a manageable pace for
a reasonable price!**

Announcing APTA's NEW Continuing Education Course **TOPICS IN PHYSICAL THERAPY: A REFRESHER**

At last! Here's a convenient way to update your knowledge without taking valuable time from your other responsibilities. APTA's new *In Touch* Continuing Education course, **TOPICS IN PHYSICAL THERAPY: A REFRESHER** brings you up-to-date information on today's areas of practice . . . and shows you how to put your enhanced knowledge to work. Written by leading clinicians and academicians, each of the 12 single-topic lessons • provides basic knowledge • explains applications to evaluation and treatment • presents case studies to illustrate real-life uses of the information • gives you self-study questions with answers so you can assess your understanding of the topic, and • supplies an annotated bibliography and a list of topics for further study.

Topics to be covered are musculoskeletal assessment . . . management of musculoskeletal disorders . . . principles of isokinetic instrumentation . . . clinical electrotherapy . . . neurological assessment . . . cardiopulmonary assessment . . . management of cardiopulmonary disorders . . . therapeutic application of orthotics . . . and wound healing and management.

You can have this valuable clinical resource delivered right to your mailbox . . . and earn CEUs for your study after completion of a self-administered exam. Don't miss out on this opportunity to enhance your professional knowledge—enroll today.

IT'S EASY TO ORDER . . . JUST CALL TOLL-FREE. 1-800-999-APTA, ext. 3206.
Please have your credit card information ready.
